

ACCESS PASS PACKAGE

The Access Pass is built for golfers who want complete flexibility without the commitment of a membership. Whether you only play a handful of times each year, are visiting the area, want to bring friends for a round, or simply prefer to pay only when you play, this package gives you full access to our premier indoor golf facility on your terms.

There are no monthly dues, no annual contracts, and no long-term commitments—just reserve your time, play when it fits your schedule, and pay only for the hours you use. It's the perfect option for casual golfers, busy schedules, first-time visitors, or anyone wanting to experience The Bunker Golf 365 before deciding if a membership is right for them.

Enjoy the same premium simulators, 24/7 facility access during your reservation, and year-round golf whenever you choose.
