

THE BIRDIE PACKAGE

The Birdie Package is designed for the golfer who loves the game but doesn't live on the course. It's perfect for busy professionals balancing full-time jobs, parents looking for a way to unwind after the chaos of family life, or casual players who enjoy the sport without the need for daily practice.

With 48 hours of booking time to use however you choose throughout the year, this package offers the freedom to play on your schedule. It's ideal for weekend warriors who want to keep their skills sharp, hobbyists seeking an escape from their weekly grind, or those who enjoy the camaraderie of a few rounds with friends or family. Whether you're squeezing in time between work and home or simply looking for an outlet to relax, the Birdie Package fits your lifestyle—without demanding a heavy time commitment.
